ADMINISTRATIVE & OPERATIONS SUPPORT | E-COMMERCE OPERATIONS

PROFESSIONAL SUMMARY

Administrative and operations support professional with experience in remote e-commerce operations, workflow tracking, records management, spreadsheet administration, and Amazon FBM support. Skilled in maintaining accurate digital records, updating product listings, monitoring inventory information, coordinating recurring tasks, and managing shifting priorities in a remote work environment. Proficient in Google Sheets, Asana, CRM tools, ChatGPT, and other productivity platforms, with a strong focus on accuracy, organization, clear communication, and reliable task completion.

WORK EXPERIENCE

Automated Ecom Solutions

Jun 2022 – Jul 2023

E-commerce Operations Associate (Amazon FBM)

- Implemented and maintained task-tracking systems that improved workflow visibility and helped streamline day-to-day operations.
- Managed Amazon FBM inventory and product listings while maintaining a high level of accuracy across product information and inventory records.
- Maintained digital records, operational spreadsheets, and task-tracking data to support accurate monitoring of day-to-day e-commerce operations.
- Updated product descriptions, pricing, inventory availability, and listing information to keep Amazon FBM records accurate and current.
- Coordinated multiple recurring tasks and shifting priorities in a remote work environment while consistently meeting operational deadlines.
- Handled routine email correspondence, operational updates, and follow-ups, helping ensure requests and action items were communicated and tracked appropriately.
